

Budgeting for Nonprofits

CharityVillage.com®
Campus

Learning Outcomes

- Define different types of budgets.
- Read and understand budgets.
- Explain how budgets fit into your organization's larger planning context.
- Create budgets using the appropriate techniques.
- Manage budgets effectively.
- Make reasonable budget decisions.

Course Level

- Introductory — no suggested prerequisites

Certification Credits

- Take the optional final quiz. If you pass with 70% or more, you can download a Campus Certificate of Completion.
- Participation in the course is applicable for 2 points in Category 1.B – Education of the CFRE International application for initial certification and/or recertification.

Duration

- This course takes about two hours to complete, but you'll have full access to the course for three months. Move through it at your own pace: all at once; in short modules; breeze through once, then come back for a refresher down the road. You're in complete control, so learn at the times and speed that work best for you.

Price

- \$127 per user*; 3 months unlimited access.

Guaranteed

- All courses are fully guaranteed. If you aren't completely satisfied with your course, please just let us know and we'll happily refund the full course fee, no questions asked.

Free Demo

- Try a free demo version of any Campus course to see how practical, friendly, and fun they are to use.
